**The Enneagram: A Transformational Map to Understanding  
Yourself and Others & to Living Your Best Life**

Location of seminar: TBA

**The Enneagram of Personality is an ancient and profound map that sheds light on nine different architectures of the human personality. It is one of the most powerful and practical systems of self development and self understanding around. It has helped millions of people throughout history bring positive and lasting changes in their lives, offering insights as to how to modify their attitudes and behaviors in order to achieve greater happiness and success both personally & professionally.**

**In this seminar you will learn to:**

- Understand why you act, think and feel the way that you do.
- Understand why others act, think and feel in the way they do.
- Improve your relationships with family, friends and co-workers, and
- Bring out the best in yourself & others at work and at home
- Manage stress & anxiety in life

**Halla Ayla Shakarji will be presenting this ground breaking seminar in Dubai for the first time. Halla grew up in Beirut and studied in Europe & the US. She has taught personal development seminars internationally for 20 years & is now bringing the transformational teachings of the Enneagram to the Middle East. **Do not miss this opportunity to learn ways to create greater happiness, peace & well being in your life today!****

This seminar is also taught in San Francisco, Beirut & Doha in 2010
